**DDM NAVARR GOLDEN GLOSSY** — owned by Rick Tague, Gallatin. This is a big framed cow with a great milking ability. At her side is a Sept. 21 Polled heifer calf. This calf is one of the best we have out of TPS Coronet Determined. This tremendous heifer will make an outstanding show prospect as well as a good brood cow. Look her over good.

Here is an outstanding young cow with a top notch polled heifer calf at her side out of our herd sire

the state FFA Champion at Sedalia in 1973. This cow-calf pair could easily be the best pair to sell at

Here is a real fancy, even roan heifer, sired by Leader 9th x and produced by our very best Rosewood cow. She sells open so that the buyer may have the selection of sires to which this fine heifer is to be mated to. Leader 9th x daughters are consistently good!

This should be one of the first daughters of Australian, Meriwong Smuggler x to be offered for sale in America. She is open and is a modern type, straight-lined heifer with adequate muscling for today's demands. Stood in third place at the Missouri State Fair this year.
